

WIND WEIGHTED® BASEBALL TARPS

Rain Covers that Stay Put in High Winds, WITHOUT STAKES OR SANDBAGS

By AER-FLO®, these are the original, real McCoy, triple-patented, virtually WIND-PROOF tarps that are used by the thousands by teams including Little League, Jr. & Sr. High Schools, Colleges*, Minor and Major Leagues.

The secret of Wind Weighted Tarps: Galvanized steel chain in its entire perimeter edge hem is precisely ENGINEERED to the correct ratio of circumference ballast versus fabric weighting to KEEP WIND FROM GETTING UNDER AT ANY POINT. Made in the USA. 2 year factory prorated warranty.
